**REJECTION & AMENDMENT**

**AUG 23 2006**

I hereby reject the Examiner's amendment, because I originally intended to claim the priority of U.S. provisional patent application, Serial Number 60/158,756 filed October 12, 1999.

I also hereby request to amend the Cross Reference To Related Application of the application # 09/688,277 as follows:

**"This application is a continuation-in-part of U.S. Patent Application No. 09/315,295, filed May 20, 1999, entitled "Card Game," now U.S. Pat. No. 6,402,147, which claims the benefit of U.S. provisional patent application Serial No. 60/086110, filed May 20, 1998, and this application also claims the benefit of U.S. provisional patent application, Serial Number 60/158,756 filed October 12, 1999."**

I believe that the amended Cross Reference To Related Application of the application expresses more clearly than the one that originally submitted, but they cover the same subject matters.

Respectfully submitted,

Henry Tien Lo, Applicant

Date: August 23, 2006.
